*2022 Adult
Summer Reading
Program*

Welcome to this year's Summer Reading Program!

The program will run June 1st to July 31st. Library patrons age 18 and up must register in person at their preferred library location. Upon doing so, they will receive a CCPL logo notebook and a progress tracking card. Then: start reading!

For every book completed, participants will fill out an entry slip with their name, title of the book read and author of the book read and turn it into the library. Upon doing so, they will receive a punch on their progress card. Once the patron has completed their progress card (six holes punched), they can submit the card to the library and receive a set of earbuds.

Happy Reading!
