

**2022 Kids/Teens
Summer Reading
Program**

June 1st to July 31st

Children, age birth to 12, or their parent/caregiver will need to drop off entries or email them each week to: childrensummerreading@ccploho.org. Please include child's name, age, phone number, email, school, how they heard about the program, preferred library location and number of hours read/read to/ listened to weekly.

Teens, age 13-18 (if 18, still in high school), should drop off their entries at the library or email them to: teensummerreading@ccploho.org and include the same information as above, but instead of hours, include the title(s) of book(s) read/listened to in their entirety each week (Sunday-Saturday).

A weekly drawing (each age group) for a \$15 gift card will be held at each location. At least 1 hour/1 book must have been read to qualify. Three larger prizes (each age group) will be given at the end of SRP at each location for reading 3 hours or more (1 book for teens). Grand prizes (each age group) will be drawn for every entry of 5 hours read (2 books for teens). See prizes on back.
